Updates & News

August 3, 2020

Attention Homeowners,

There will be no September/October newsletter as our advertisers have opted to not run their AD during the COVID-19 re-shutdown. We hope to have a November & December issue.

The Board has been following the CDC guidelines and the Governor's direction and has closed the Alice Marble Hall again. The onsite Montessori School has been closed since mid March. We are unsure if or when the Montessori School will reopen or when the hall will reopen for rentals. The pool area was opened in June with some modifications to the current rules.

The onsite management office is open during their regular summer business hours (Monday-Thursday 8am-3:30pm) and will remain open unless ordered to close by the Governor. We are here to approve your architectural applications, accept your signed Pool Use Waivers and reactivate your pool fobs, answer any questions you may have, and to handle to the day to day operations of the association.

Don't forget to social distance, wear your mask and wash your hands often.

Please stay safe and healthy.

Regards,

Patricia Moeller, Onsite Community Association Manager
