

Palm Desert Country Club Association

Authorization for Electronic Document Distribution

Several times a year Palm Desert Country Club Association (Association) or Personalized Property Management (PPM) sends out documents such as the annual financial review, the budget, annual meeting notice and others. By allowing such information to be sent via email the association will save printing and mailing costs and help to maintain a lower annual assessment.

It is understood that Civil Code Section 4040-4041 sets forth specific methods of delivery of documents from the Association to its members, including: (1) personal delivery; (2) USPS first class mail, registered or certified mail, express mail, (3) Overnight delivery by an express service carrier (4) Email - provided the member recipient has agreed in advance to that method of delivery.

I (we) hereby agree and authorize Personalized Property Management Company (PPM) as agents for Palm Desert Country Club Association and/or the Association itself to initiate an Association related notification and delivery of Association official documents by electronic means to the below listed contact information:

Name of Owner: _____

Property Address: _____

Email Address: _____

- I understand that this notification may be by direct delivery via email or notification via email as to a website location where the documents/information may be retrieved.
- This authorization will remain in effect until PDCCA has received written notification from me (us) of its termination in such time and manner as to allow reasonable opportunity to act on it.

Please continue to provide a paper copy of Annual Assessment bill by USPS First Class Mail.

Name(s), email address(es), property address and/or mailing address may not be shared with members of the Association who request a copy of the membership list.
